SPECIALIST

UPDATED 29 MAY 2022

## LEVEL UP AS A TRANSITIONS® CERTIFIED SPECIALIST

Help satisfy more people by growing your expertise in light, light management, and *Transitions® Light Intelligent Lenses™* and get recognized as a *Transitions® Certified Specialist!* This certification is ideal for those just starting their eyecare career or seasoned professionals who want to learn about the latest innovations including the award-winning new *Transitions® XTRActive® Polarized™* lenses.

Explore how light impacts daily life and become well versed in explaining the need for light management.

Learn how to engage patients with Transitions and make a confident and personalized recommendation ideally suited for them.

## GET RECOGNITION AND REWARDS

Get access to materials designed to better prepare you to talk to your patients about light management and earn:

- A framed certificate recognizing your Transitions Specialist status
- A lapel pin to wear in the office
- A social post to utilize on practice social channels
- Opportunities to earn additional selling tools

\*Physical materials available to eyecare professionals in United States only, while supplies last.
